Property.CoZa
South Africa

To whom it my concern

OTEL TELECOMS

Otel is one of the Telecom Service Providers that some of our new Franchisees and Property.CoZa South Africa are using currently.

The Otel team is professional, stand by their promises, on time and never miss a deadline. If for some reason they can't deliver on time, they will advise in advance and re-schedule.

Their clients are well informed and they communicate on a daily basis.

Otel's after service is excellent.

I highly recommend Otel.

Kind regards
